Dr. LaShae Sharp- Collins
79th Assembly District

Bill Package Summary

AB 829: Parkinson's Research Fund
This bill establishes the California Parkinson's Disease Research Fund to fund medical research to improve the lives of those living with Parkinson's and continue fighting for a cure.

AB 847: Law Enforcement Oversight Commissions
This bill allows law enforcement oversight commission to act on their statutory oversight power by accessing records necessary to investigate misconduct**.**

AB 927: Williams Inspections
This bill will extend the annual review for schools' instructional materials by the 4th week of the school year to the eighth week of the school year in light of increased workload post-COVID.

AB 987: Towing Fees
This bill protects Californians against unreasonable tow fees by establishing guidelines.

AB 1392: Elected Official Safety
This bill strengthens privacy protections for elected officials and candidates by creating a clearer process to keep personal voter information confidential.

AB 1411: Voter Education
This bill requires counties that have not chosen to expand election access to provide a Voter Education and Outreach Plan that provides information about candidates and local measures to better inform voters.

AB 1755: Ending CalWORKs Work Hour Restrictions
This bill modernizes CalWORKs by ending an outdated rule that cuts off aid to children when parents work more than 100 hours.

Bill Package Summary Continued

AB 1965: Cannabis Testing
This bill strengthens consumer safety by giving the Department of Cannabis Control oversight of cannabis product testing.

AB 2518: Utility Energization Pilot Program
This bill launches a pilot program in San Diego County to address energization delays across sectors and speed up access to affordable housing.

AB 2573: Elected Official Protection Clarification
This bill provides technical and clarifying changes for counties on how to administer elected official and candidate protections.

AB 2613: Health Plan Notifications
This bill requires health plans to notify consumers of coverage changes in a timely way using modern communication methods instead of strictly postal communication.

AB 2652: Language Credentialing Expansion
This bill expands the teacher pipeline for bilingual certification, increasing student access to dual-immersion programs.

AB 2760: Taser Glove Ban
This bill will prohibit state and local law enforcement agencies from purchasing, possessing, or using electric shock gloves and other substantially similar wearable conducted-energy devices.
